

## 6B

The following has been translated from page 19, assignment 6B from 'Engelsk øvehæfte':

The grocer has had a lot to do in his store today. He has had a lot of customers. He has a nice store with many goods. His errand boy is a good boy. He has been with the grocer for two years. The grocer has a van. He has had it for one year. It is blue. He had a different car last year. It was too small. There will also be a lot to do in the store tomorrow, because tomorrow is Saturday. The grocer has had a store in a different city. It was smaller and there were not as many customers. He has a big turnover in his new store and he has a big profit. He has a house near his shop. It has two rooms and two bedrooms. It is not big, but it is practical.
